# WE'RE HIRING

## PROJECT CONSTRUCTION DIRECTOR

**Location:** Umm Salal Ali, Qatar

### **Qualification**

- Minimum 20+ years of overall construction experience, with at least 10+ years in senior-level project management for major Roads, Infrastructure, and Drainage projects.
- Preferably a Chartered Civil Engineer or PE, though extensive project experience may substitute.
- Must have completed IOSH-Managing Safely or an equivalent H&S Training Course with relevant certification.
- Strong portfolio aligning with ISO 18404 practitioner level or similar standards.
- Appointed as a Director in a Contractor's organization for at least the last 5 years, or having held an equivalent senior role in a comparable company.
- Proven expertise in financial approvals, staff management, and high-level project decision-making.
- Excellent communication and negotiation skills, with a strong understanding of project delivery objectives.

### **Responsibilities:**

- Oversee and manage large-scale construction projects, ensuring timely and successful execution.
- Collaboratively plan, strategize, and solve challenges in infrastructure development.
- Maintain compliance with construction and safety standards, including ISO 18404.
- Ensure adherence to financial and operational objectives, including authorizations and staff allocation.
- Lead contract negotiations and stakeholder coordination, ensuring smooth project execution.
- Provide expert guidance on engineering best practices and project management strategies.

### **Requirement:**

- Candidate should be present in Qatar with valid QID
- Available to join immediately;
- Send us your Latest CV, Academic and Experience Certificates, etc.

### **Note:**

- Applications without the above-mentioned documents will be rejected.
